

Core Arts

Ages 12–18 June 10th–23rd

This residential camp gives students exposure to the arts and aims to further develop their creative abilities. Each day, campers receive intensive instruction from experienced teaching artists. Campers customize their schedule by choosing their course of study in a five-period-per-day format. Courses offer a tremendous opportunity for individual instruction, with a teacher-student ratio of approximately 10:1. Also, there are evening activities like Trivia Night, Karaoke Night at the Grammy Museum, and field trips to see professional productions in Memphis.
